

DWJ Tuition Policy

The 2023-2024 session is a 36-week commitment, August 21st - May 24th. The session will conclude with a Student Showcase on June 1st, 2024. Rehearsal week is May 28-31, 2024 - Please do not plan any vacations during this time. Extra rehearsals & classes will be held during this week.

A non-refundable registration fee of \$45/student, along with your first tuition payment, will be drafted upon enrollment. Your Full Tuition Balance will be posted to your dance account upon enrollment (this is not the same as being charged to your card on file). Tuition is automatically drafted on the 1st of each month & divided into 9 equal installments. Monthly tuition prices are based on a total season amount split into equal monthly payments which are the same whether there are 3, 4 or 5 classes within the month. Tuition is not adjusted for studio closures due to performance weeks, holidays, or breaks. These were considered when tuition was set. All payments will be processed using the card on your account. If you would like to use a different card, you need to update it online before the 30th/31st of the month. Tuition balances are due regardless of attendance. No refunds will be given. Auto-draft is required for all tuition payments and all account must have an active card. It is your responsibility to update your card when needed. Returned checks & credit cards that are declined will result in a \$35 insufficient funds fee being added to your balance. If you notice your check has been declined, contact us immediately!! A \$15 late fee will be charged to any accounts not paid by the 5th of the month. In the rare case a refund is granted due to special circumstances there is a \$25 cancellation fee plus 5% processing fee on all credit card payments. Registration Fees are Non-Refundable.

We offer a 30-day withdrawal in case of emergency or moving from the area. Please submit a written letter of withdrawal with specifics of the situation. Once received you will be billed for a final 30-day period.
