

Dance Class Attire

Attire can be purchased from anywhere you prefer. If you would like us to order for you, please contact the studio. Students who are not dressed appropriately for class will not be allowed to participate that day. Students should arrive dressed and ready for class. There are no dressing rooms inside the studio. We suggest students carry extra hair ties & a brush in their dance bag.

All Classes

Hair should be pulled away from face and off the neck for all classes. All dance shoes should not be worn outside the studio space. It is extremely important to only wear tap shoes on the dance floor. Concrete or other hard surfaces will scratch the metal tap, which in turn will scratch the dance floors.

Creative Dance & Tumble (age 2-4)

Rules for your safety:

- Hair should be pulled away from face and off the neck for all classes.
- No hair clips, barrettes, hairbows, or anything other than a basic hair tie or scrunchie should be worn in hair.
- No shoes are used. All participants should have clean bare feet.
- Fingernails & toenails should be smooth and trimmed short so that they do not snag or tear the aerial equipment.
- No baggy/loose attire. These items can get tangled in the fabric when performing wraps & combinations resulting in the performer being stuck.
- No jewelry as it can tear the aerial equipment.
- No rhinestones, sequins, zippers, buttons, glitter, or embellishments of any kind on any clothing.
- Aerial silks/hammocks can/will cause skin burns if students are not wearing outfits that cover exposed skin.
- Personal hygiene is extremely important in these classes. Apparatuses are shared. Feet & Armpits can leave smells/residue/dirt on the equipment that is unpleasant for the following class. Please be mindful of these things.
- Keep a pack of baby wipes, nail clippers and a nail file in your dance bag. These are great when you need to clean dirt off your feet or fix a nail. 😊

These rules are to keep students safe during class & to keep our equipment in safe working condition. Students who are not dressed appropriately or have long or jagged nails cannot participate in class until the issue is corrected.
